## Pulled the Oliver Pall day and feels like a colt

If the horses feel that way,  
how do you suppose the man  
who has been holding the  
handles feels?  
Probably mighty well satis-  
fied with himself, and glad  
he's alive.  
He has done more work,  
better work, and with greater  
ease—simply because he used an

### OLIVER PLOW.

Why don't you become one of these men?  
We will be glad to show you the plow—to answer  
questions—and to convince you that this is the plow  
for you to buy!

### Political Pointers.

Missouri taxpayers will hesitate a long time before taking the advice of the band of political brigands who have been looting St. Louis in the name of the Republican party.

While Roosevelt raves and howls, President Wilson proceeds quietly at his noble work of keeping the United States at peace with the warring nations. Of these two, posterity will not have to decide which was the greater and the better man. The verdict is already in, and will be re-echoed at the polls next November.

Whenever there is a fight between Democrats, there is always a Republican lurking in the background. Remember this, you Democrats who feel disposed to quarrel. It doesn't pay. It doesn't win. Whenever Democrats fight each other, the Republicans gain the victory. No Democrat can win anything, either for himself or for his party, by abusing other Democrats.

If the people of St. Louis want to reduce their taxes by lowering their assessed valuation they have the right to do so, and we think they should. Something should be done to abate the extravagance of the St. Louis Republican machine. But this does not afford any reason for increasing the taxes on Missouri farms. It is costing twice as much to govern the city of St. Louis as it costs to govern the entire State of Missouri. St. Louis is a Republican city, and if those people want their money wasted by incompetent public officials, that is their business. But the people of Missouri do not take kindly to substituting, in their State government, Republican extravagance and incompetency for Democratic economy and efficiency.

### Gets Mail by Wire.

L. S. Maddock last week installed a patent mail box that brings the mail from the road to the house by the turning of a crank. It is 2,350 feet from his house to the post, and there is a 20 per cent curve in the carrier wire, but the box comes right home with but little exertion. Mr. Maddock has figured that within the course of a year he saves traveling 315 miles to and from the road for mail. He is highly pleased with the outfit. The box is arranged on a wire and is drawn to and sent from the house by a crank with but little exertion. When the mail is put in the box the mail carrier gives it a shove which in-  
dicates at the house that the mail is in the box.—Perryville Republican.

### Ringling Bros. Coming this Way.

Announcement is made that for 5 days beginning Tuesday, May 23, Ringling Bros. circus will give afternoon and night performances at St. Louis.

The famous showmen are this season presenting an all new and wonderful program. The tremendous fairland spectacle, "Cinderella," will appear to both young and old. More than 1000 persons take part in it. It is easily the biggest spectacle Ringling Bros. have ever staged and its glorious "Ballet of the Fairies," with 300 dancing girls, is in itself worth going many miles to see. Following "Cinderella" 400 arena artists appear in the main tent program. Because of the great European war the Ringlings have secured scores of circus performers never before seen in America. An entire trained animal show has been made a part of the main tent program this season. The menagerie now numbers 1000 wild animals. The elephants, including "Big Bingo," the earth's largest pachyderm, have been increased to 41 and almost 800 horses are carried. There will be 60 clowns and a big free three-mile street parade show day morning.—Adv.

### Goodwater News.

Farmers are busy with their general farm work. There seems to be a light peach bloom this time.  
Rev. Lonzo Ban preached here last Saturday night and Sunday. His family was with him, and while here visited at the home of W. R. Dennis.  
Mr. and Mrs. M. H. Scott and Mrs. James Scott of Desloge spent last week visiting relatives here.  
Mr. and Mrs. Otis Henson of Viburnum spent last Sunday at the home of W. A. Abney.  
My father attended the school meeting last Tuesday. This is the first time he has been able to attend a school election for three years.  
Mr. and Mrs. W. A. Abney were called to Indian Creek last Monday by the serious illness of Mrs. A's parents. Miss Elsie Payne has returned home, after a prolonged visit with relatives at Desloge.  
Dr. J. G. Mincher, of Viburnum, has purchased a stump-puller, with which he has been clearing the stumps from his land.  
Ties are now worth 35 cents apiece at East End.  
I am away from home a great deal, hence I am unable to get all the news.

If the mothers will buy Boster Brown or Billiken (foot shape last) shoes for their children, they will not only show sound judgment, but will be able to change for the better in the disposition of the child.

### Huzzah Items.

We are sure having a late spring. Some days look like real spring days, but there is a snow on to-day.

The O'Bannon crew lost one of their mules last week. The rest have the distemper.

Mr. Calvin Myers, the fireman at the O'Bannon saw mill, contemplates going to Louisiana soon.

Miss Mary Henry was at Boss on business recently.

Mr. Henderson is said to be doing a good business in the store at O'Bannon's mill.

Jewel Garrison of Water Fork will probably teach the Elm Spring School this year again. He taught a successful term there last year.

Mr. and Mrs. Henry Bay will go to Joplin to make their home soon. They had a farm rented from a man in Iowa. He recently informed them they must fix the fence and give him half of what was made on the farm and of course they objected.

Mrs. Jake Clements is on the sick list with asthma.

Mrs. Martha Hall spent last week with her son in Bunker.

Wilbur Dodson spent Tuesday night with Mr. and Mrs. Sumpter Parker of Moss.

Calvin Meyers went to Bunker Tuesday.

Onion sets are a scarce thing here. The merchants have ordered two or three times and they are most always sold by the time they get here.

Farmers have been busy getting ready to farm and plowing when dry enough. It has been far too wet the last week. Nearly everybody has potatoes planted and garden out, but it sure doesn't look like gardening to-day.

Three families in the immediate vicinity have the whooping cough. Some are getting better. Your writer has had it too and hasn't collected much news lately.

### Doubly Proven

Ironton Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of undoubted benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit. J. P. Zolman, Justice of the peace, Division St., Farmington, Mo., says: "For about a year I was annoyed considerably by too frequent passages of the kidney secretions, particularly during the night. Often when stooping over or after a slight exertion, I could feel my back getting weak. I finally used Doan's Kidney Pills and since then, I have felt no sign of the trouble."

OVER FIVE YEARS, Justice Zolman said: "I have had no occasion to use any kidney medicine since I took Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Justice Zolman has twice recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
